Looking for a great house on one of the most sought after roads in Marletown? Look no further as 694 Buck Rd is your next place to call home! Move right into this open concept, light filled, cape cod style home on a low maintenance 1-acre lot. The main floor is perfect for hosting guests with its very open floor plan and new farm-house style kitchen. The first floor bathroom has been fully renovated as well with trendy tile work, a walk in shower and stackable washer and dryer. The first floor bedroom has been opened up to have an additional area whether it is for a WFH space, gym area or additional closet storage. Upstairs find two nicely sized bedrooms over-looking the lush front yard and a second full bathroom. Plenty of opportunity in the full, unfinished basement for a bonus area. Spend the summers outside dining al-fresco on the large, covered back deck and summer evenings by the fire pit. Opportunity awaits for a detached studio space, greenhouse or garden shed in place of the pre-existing shed. Secluded, but an easy drive to the center of Stone Ridge, and local attractions such as our u-pick farms, the Ashokan Reservoir and hiking at the Mohonk Preserve. Short drive to local breweries and restaurants such as Arrowwood, Westwind Orchard and Inness.
