MLS® #20242587

\$3,800

1 Bedroom, 1.00 Bathroom, 440 sqft
Residential Lease on 1 Acres

N/A, Stone Ridge, NY

This adorable cottage features an indoor fireplace, loft, screened in porch, outdoor fire pit and outdoor deck. It is tucked away from the road yet only minutes to town. Centrally located you can get to all the towns in the Catskills quickly. Plenty to do like hiking, apple picking, antiquing and shopping.

This light-filled cottage is quaint (600 square feet) but has plenty of little nooks to explore. It also features a blend of local antiques, local art, mid century modern touches and Hudson Valley charm. Features in Apartment Therapy recently, this is the cutest little cottage around!

The shower is on the smaller side and can only fit one person.

The hot water in the sink sometimes sputters because we are on a well. When the water hasn't been used for a bit it gets air bubbles in the pipe and can sputter.

Built in 1950
