3 Bedroom, 3.50 Bathroom, 2,405 sqft
Residential on 2 Acres

N/A, New Paltz, NY

The perfect combination of contemporary design, energy efficiency and upstate living. This home radiates a special feeling from the moment you pull up the driveway. Thoughtfully designed from the ground up this new home was built with insulated concrete form construction, a metal roof, top of the line windows/doors and a healthy heating/cooling system; making it resilient, safe, eco friendly and quiet. Step inside to an organized front hall ready for your hiking boots and outdoor necessities. The garage is sure to impress with a glass door and an abundance of space for your home gym, workshop or studio. Down the hall is a bright bedroom with a large closet and its own full bathroom with tiled shower. Head upstairs and prepare to be amazed. A modern open concept kitchen, dining area and living room are flooded with natural light and soaring ceilings. The kitchen is a true entertaining dream with opulent white quartz waterfall island, custom cabinets, white oak floating shelves and so much attention to detail. Beautiful white oak floors, modern wall mounted fireplace and a 2nd level floating deck are just a few of the great features this home offers. A handsome half bath is located next to the pantry and large laundry room. The primary bedroom is accented with gorgeous wood ceilings and modern hanging light. Two walk in closets were finished with built-ins. The master ensuite exudes luxury with floor to ceiling marble tile, soaking tub, spa like glass shower and double vanity with LED framed

mirror. A final 3rd bedroom on the 2nd floor also has it's own ensuite bathroom and large closet. Outside enjoy star gazing around the firepit on your 1.7 acres. Minutes from New Paltz, Kingston, renowned hiking trails, rivers and mountains you will never run out of places to explore. This home is a true dream.
