Welcome to paradise! This warm, custom built contemporary home is privately sited on one of the prettiest country roads in Ulster County. Bathed in natural light throughout with vaulted ceilings, skylights, and windows everywhere. The park-like 5.6 acre grounds provide a mix of meadow and woods, coupled with wonderful low maintenance landscaping. The property offers 4 seasons of enjoyment. Watch the snow fall while snuggling next to the fireplace in Winter or hang out on the deck while enjoying morning coffee in warmer months. Have cocktails by the pool or enjoy a good book while relaxing in the hammock. Inside, the open plan main floor is an entertainer's dream with plenty of larger areas as well as intimate spaces to gather. The cook's kitchen has loads of granite counters for prep work or just hanging out, which helps because as they say, everyone always winds up in the kitchen! Lots of cabinetry and a full pantry keeps life organized. Sliding glass doors on either end offer access to the spacious deck and pool area beyond. A bedroom and full bath are tucked away on this first floor as well for those seeking 1st floor sleeping space or an office. Upstairs are the primary and 2 guest rooms with a large full bath complete with soaking tub. There is a full, dry unfinished basement with interior access offering immense storage space and could be finished for additional living space. This one owner home has been well maintained both inside and out. The seller has made many happy memories here.
