3 Bedroom, 2.00 Bathroom, 1,492 sqft
Residential on 10 Acres

N/A, Hurley, NY

If Hansel and Gretel grew up to be New York City sophisticates, this is what they'd want for their country home. The property, located in the most amazing Bucolic setting, at the finish of a dead-end road, has a true fairy-tale quality: big and little kids alike will love it. The original 1917 log cabin is a rarity in these parts featuring original details such as beamed ceilings, with built-ins in nearly every room, and nooks and crannies everywhere. And the addition to the original log is in a style true to the original character. A wonderful bluestone patio-deck overlooks a pristine pond. There's a true country feel here yet it has the convenience to both Kingston and Woodstock, and just minutes to the NYS Thruway. This is the country cottage of many people's dreams.

Built in 1917
