3 Bedroom, 2.00 Bathroom, 1,733 sqft
Residential on 2 Acres

N/A, Kingston, NY

Come see this spacious and comfortable ranch with 3 bedrooms, 2 bathrooms, and a full basement. Situated on a generous 1.7-acre lot, this property provides plenty of room for outdoor activities and potential future expansions. The main level of the house features a well-designed floor plan that maximizes space and functionality. The living area includes a cozy living room with an area for a wood stove, large eat-in kitchen, and pantry / laundry area also on the main floor. The full unfinished basement offers endless possibilities for customization and provides extra storage space or can be transformed into additional living space if needed. Outside, the 1.7-acres on 2 separate lots provides a peaceful and private setting. You can enjoy the beautiful natural surroundings, create a garden, or even add a pool or outdoor entertainment area. This house is a perfect combination of comfort and functionality.
